4.0 Committee Reports

Handicap Chair Tom Bell reported ongoing evaluation information on online software and the need for extending the evaluation period on the Tournament Management module. We will continue to use the desktop software in parallel with the online software during the continued evaluation period. We are more comfortable with the system the more we use it.

When we collected the dues for 2020, we added \$9.00 per golfer to cover the expense we anticipated in using the World Handicap System. The system we are testing is priced at \$6 per person per year, which is less than we anticipated. That is based on the number of member players & we should set that at 80 players. We also had a discussion about the Hole in ones that we had over the past 2 years.

5.0 Old Business

The Niner's Club which wanted to be a sub of the Star Dust Men's have gotten themselves a board & will stay on their own but would like a little help from our Monitor.
