New Business

Unfortunately, David Eikner, USGA Rules Official was unavailable to present this morning due to a family emergency.

President Messersmith reported on Lou Mancuso's question about being affiliated with the GHIN system. The software we use no longer integrates with the GHIN System and to accomplish this would cost each member an additional \$45.00 annually. However, each member can join on their own and upload their scores manually if they like.

As a result of a question about the 2-club length from the wall rule, President Messersmith explained local club rules are acceptable, and must be posted in the club bulletin board.
